PEP RALLY SPIRIT

Along with an increased enrollment, with over one-thousand new arrivals to our student body, the school's pride was strong as ever. Football team members, expressive cheerleaders, yell-leaders and song leaders, band members and coaches were ready to show their spirit and fire the whole school's spirit during our first rally of the year held during lunch at the quad preluding our first league game.

PROM 1985

Culminating a successful and memorable senior year, the senior prom was held on May 31 at the Bonaventure Hotel. The music brought to us by "You Should Be Dancing" was loved by all for the second year in a row. The festivities of the dance and celebration took place in the San Jose and San Diego rooms of the California Ballroom. The senior prom marks a milestone to be remembered by all who attended.

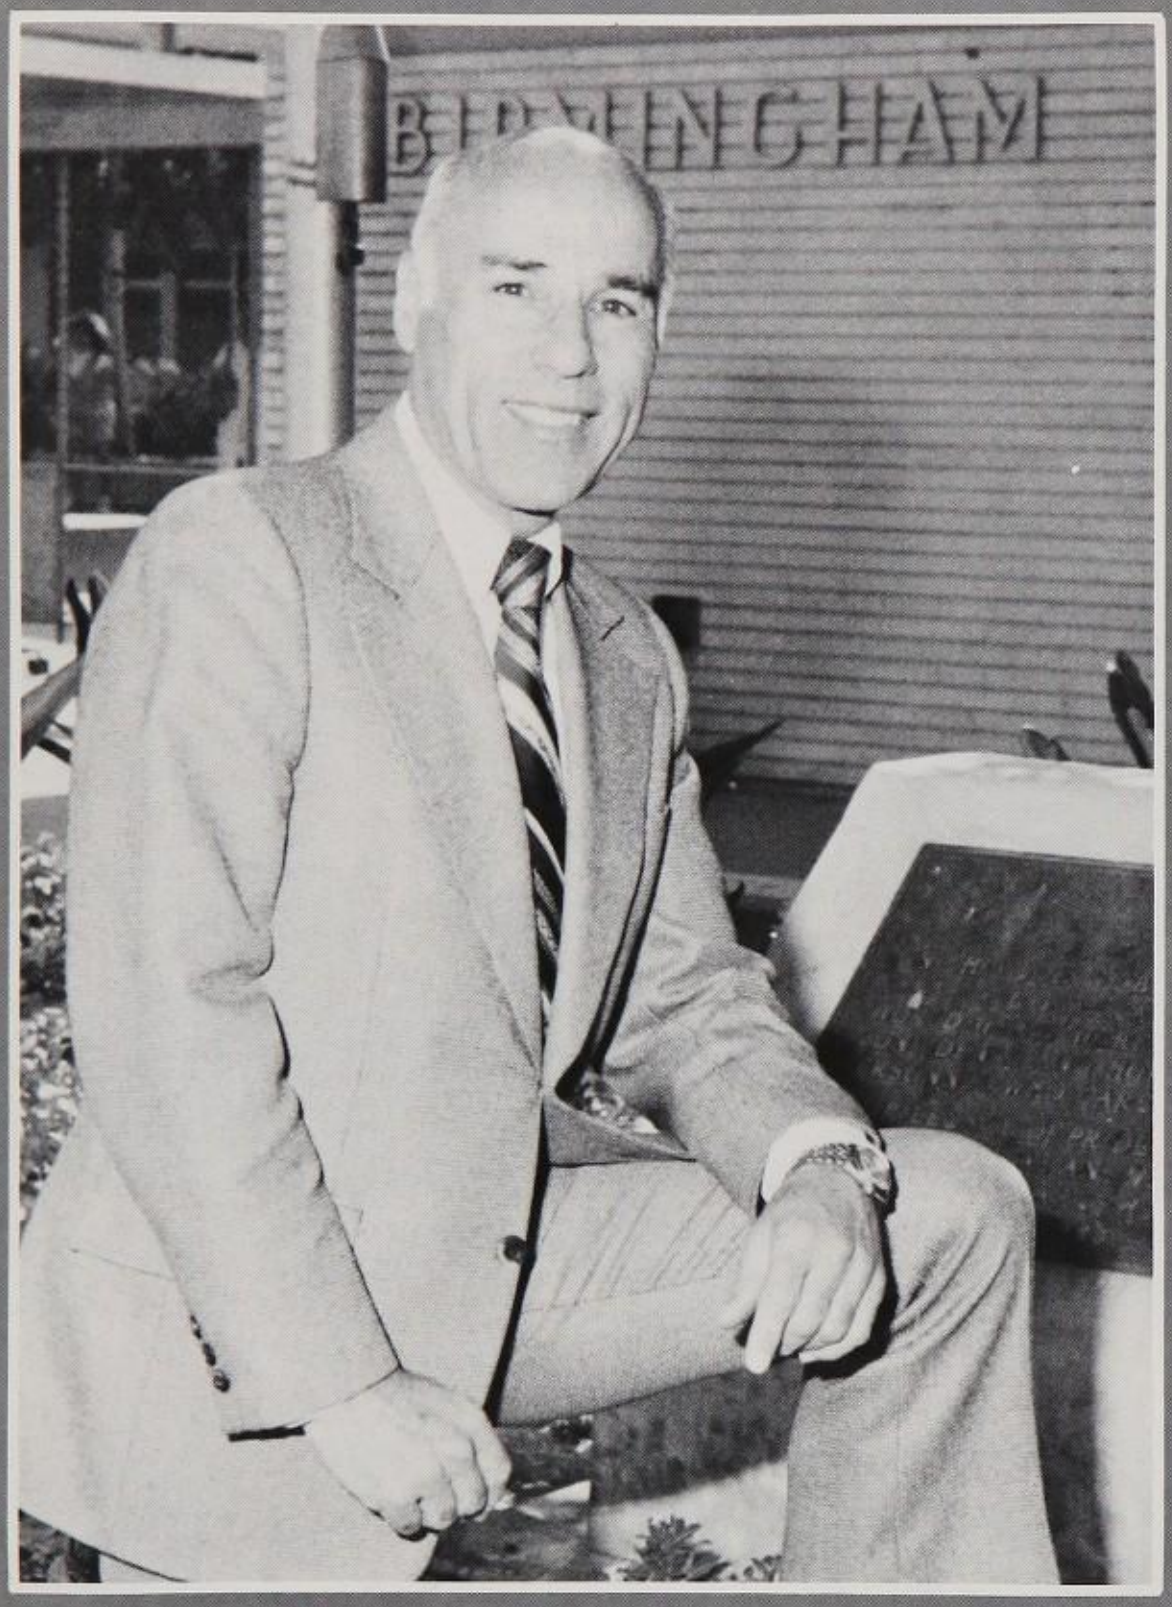
OUR PRINCIPAL



MR. JACK JACOBSON
PRINCIPAL

It is significant that the graduating class of 1985 picked as its class name, The Futurians. Implicit in that name is the recognition of the importance of the future.

Now you are facing commencement — the end of your high school days and the *beginning* of your future. Many of you will be entering universities and colleges. Others will be entering the job market or military service. Whatever your choice may be, it is hoped that your days at Birmingham High School have been productive and beneficial in preparing you for the future.

My best wishes to all of you for success and happiness!

HOMECOMING 1984

This years Homecoming Parade was held on Friday, November 16th in between the BEE and Varsity football games. The floats were created around the theme of "Hooray for Hollywood", representing everything from blockbuster movies to Hollywood landmarks. All of the floats were spectacular, and some were even award winning. Prize floats were made by the Knights and Ladies, Senior Council, Senior Cheerleaders and the Hollies. The hours of hard work put in by clubs and organizations were evident in the final production of the 1984 homecoming parade.

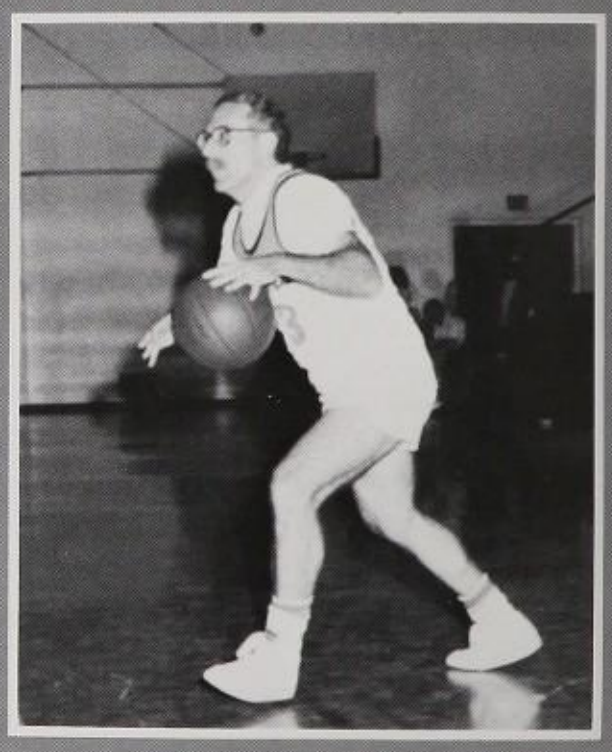
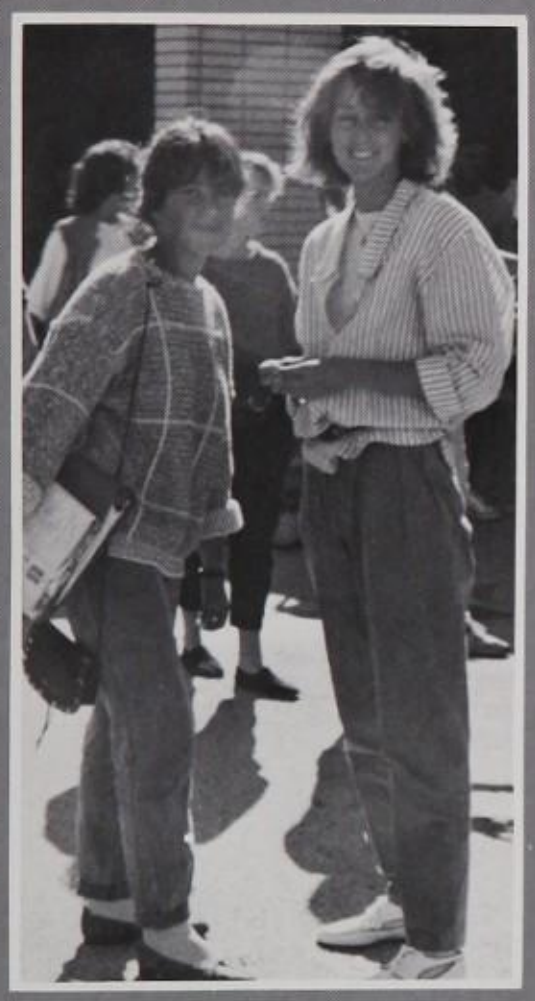
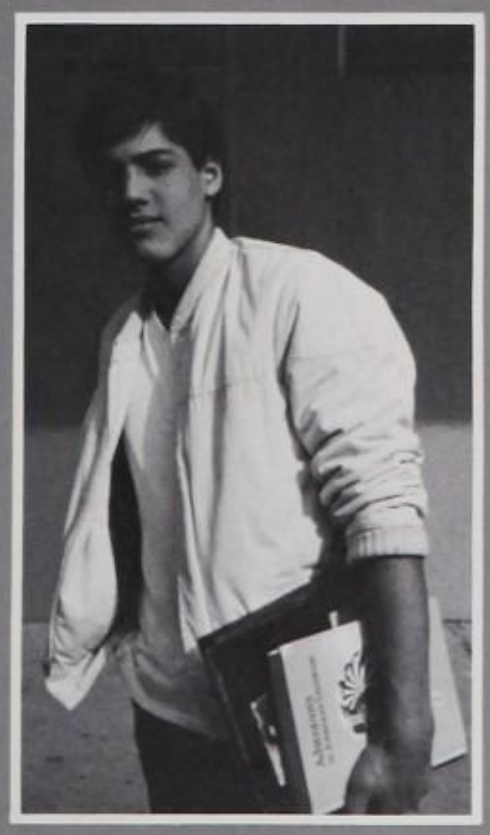
CELEBRITY BASKETBALL

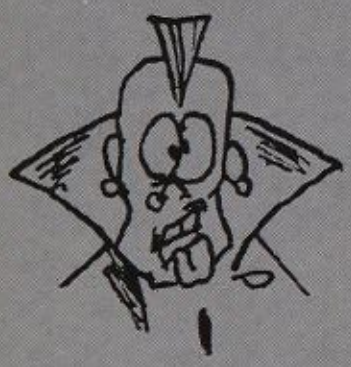
On Feb. 25, 1985, Birmingham High School hosted the Celebrity Basketball game sponsored by Regal Cleaners. At 7:30, people started pouring into the gym. Over 600 people attended. The fantastically entertaining teams were the Flaky Jake All-Stars and the Amazing Faculty. Mr. Ramirez was the coach for the Faculty team which included: Mr. Sink, Mr. Berns, Mr. O'Hara, Mr. Rawls, Mr. Prizant, Mr. Anderson, and Mr. McConahey. After a breath-taking two hour battle, the Flaky Jake All-Stars won the game with a final score of 93 to 68. Following the game, there was a delicious buffet dinner served for the celebrities and the faculty. Overall, the entire evening was a very successful fundraiser for Birmingham High School.

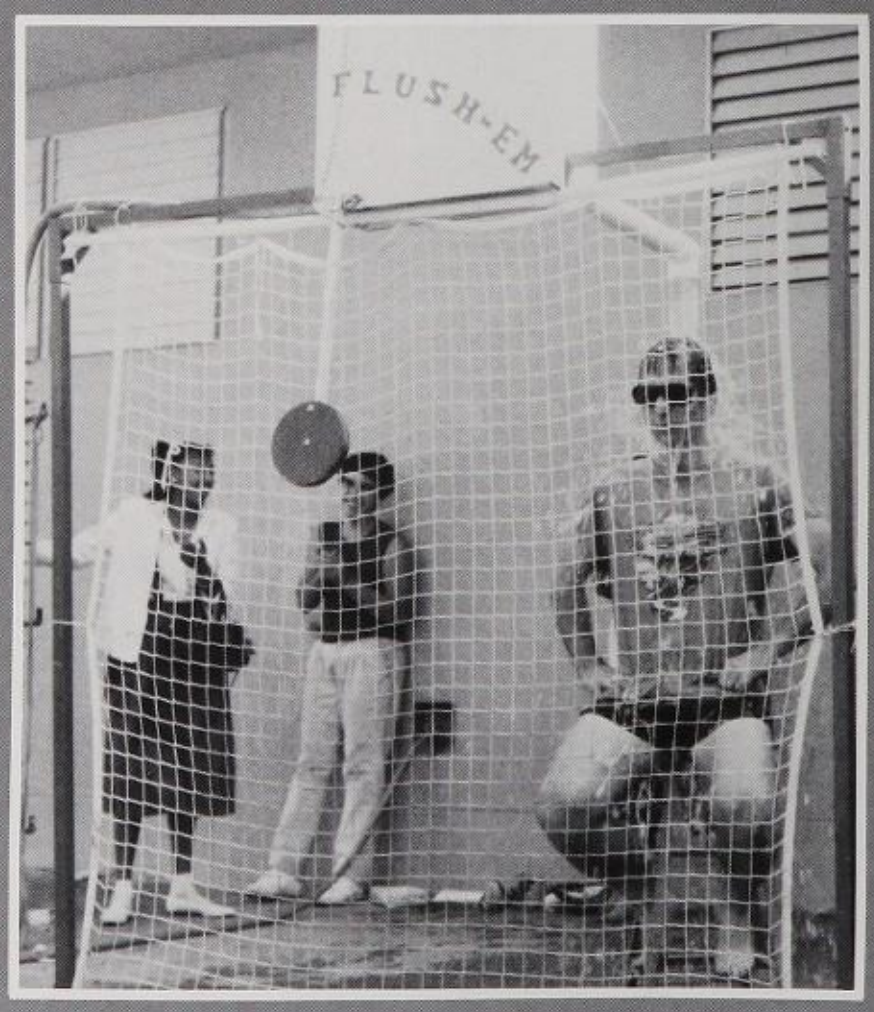






HALLOWEEN





CARNIVAL

To celebrate the spookiest holiday of the year, Jeri-Lynn Darr and Sabrina Sipantzi, two spirited seniors, organized a Halloween Carnival on October 31st during an extended lunch. Most clubs participated in the fun and games, and there were twenty booths created. Almost 2500 people participated by working, eating, playing or joining the costume contest. The Halloween Carnival was a fun celebration, and an effective fundraiser for the 1984 Homecoming festivities.

For the Varsity Football team, even the season's disappointing record could not diminish the pride and joy which got them through the nine games with three wins.

One of the few times in City history was a team coached by two brothers. As was the case of this year's team. Alan and Chick Epstein started 8 players on offense that never had any Varsity experience. At the end of the season, Richard Ashe, Robert Shreckengaust, Daryl Cobin and Larry Dotson were selected for the All-League 1st team. Kevin Zeitz, Jared Clark, Phillip Humphries, and Jon Cannon were named 2nd team All-League. Honorable Mention were Derek Solomon and Tony Viardo.

Coach Joe Jackson called it "one of the most talented JV teams in recent history, and we are looking forward to its great success as next year's varsity hoopsters." The team owes much of its success to the spiritual support of the popular benchman Ron Couch.

Bee and Cee basketball had an outstanding 1984 season with the best record in the program this year. The Cees remained undefeated (in league) and finally won the league championship, making this the most memorable year. With 24 wins, 4 losses couldn't diminish what was a great triumph for a Birmingham High School sports team. On the Cee team, Randy Gold, Panaka Chea, and Lenny Naftalin and from the Bee team Keith Owens, Charles Hohnson and Ennerea Maxwell made All-League. With the encouragement and guidance from proud coaches Joe Jackson and Brian Knigin, along with the addition of the spirited ninth graders, the Bees and Cees had a great year with many happy memories.

With a contingency of over seventy students, this year's Fall Student Council proved that great things come in large packages. Indeed the Fall Student Council assumed an important role in school affairs by organizing an unprecedented Homecoming celebration, by arranging an exciting and fun-filled Halloween Carnival, by staging a super student talent show, and by promoting school spirit through pep rallies, dances, and debates. In addition, Student Council successfully dealt with the Haynes parking lot congestion and the clean campus enigma as well as providing a forum for student complaints and suggestions.

The high degree of student fervor and enthusiasm of the first semester can directly be attributed to our very hard-working Council members and Mr. Lou Ramirez, our sponsor, who year in and year out bestows to his students not only leadership and support, but also the intangible qualities necessary for a prosperous future.

As President, I learned that with leadership comes responsibility; the sacrifice of time and effort to insure that I consistently gave my best. My experience in Student Council was so rewarding because it taught me that in life there is nothing worthwhile that comes easy. Half effort does not produce half results, it produces no results. Work, continuous work and hard work, is the only way to accomplish results that last.

Good Luck Braves

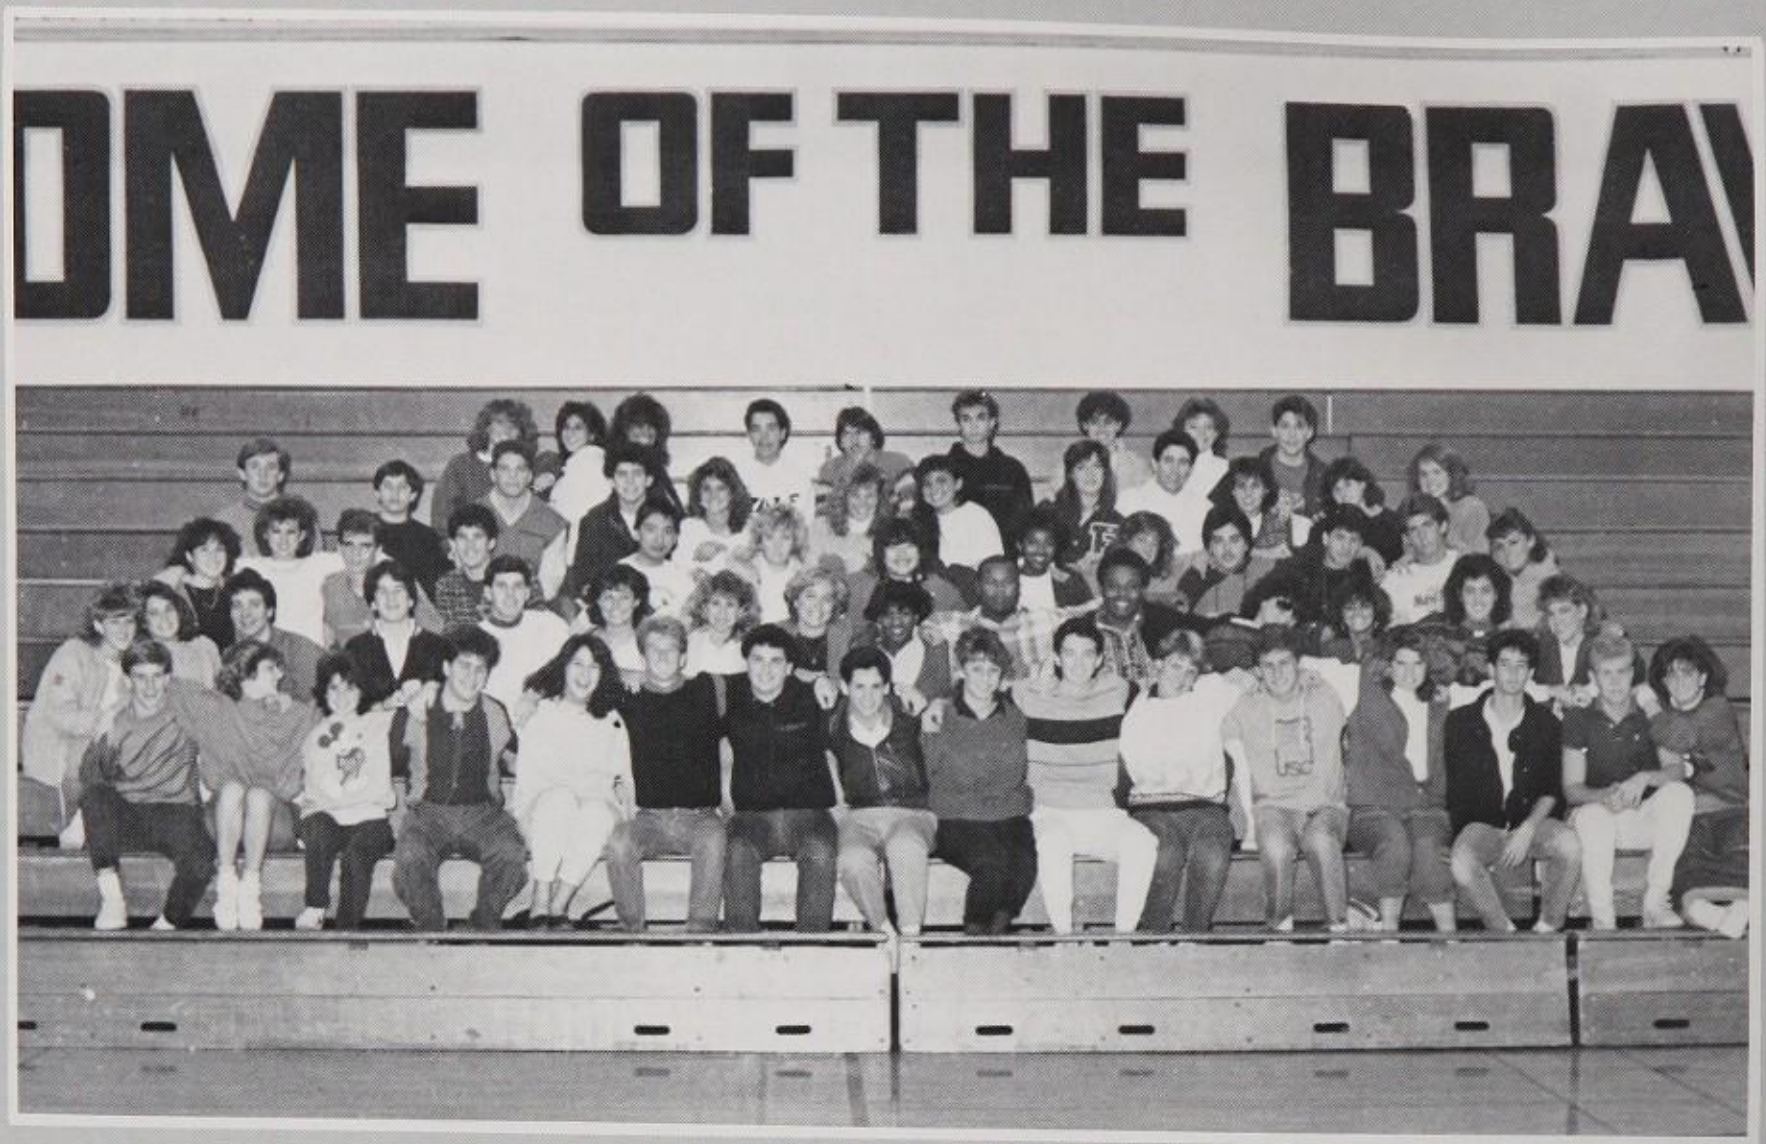
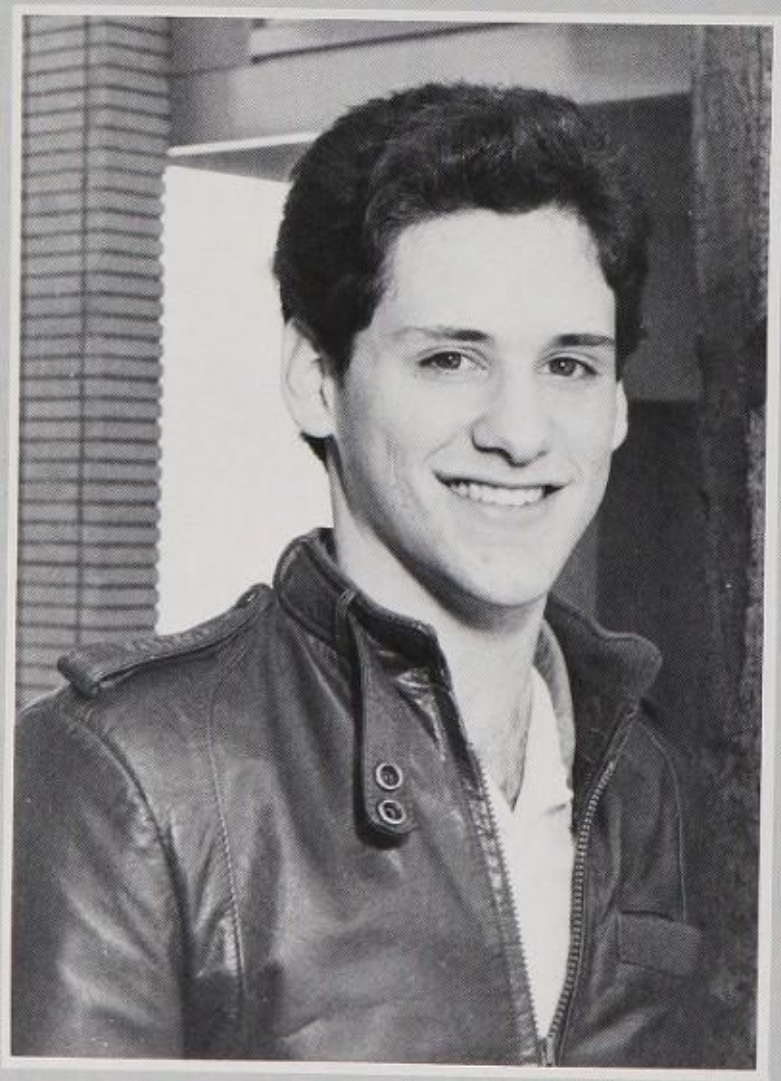
SPRING

STUDENT COUNCIL



Each generation is faced with the task of making the world a better place to live. Within the next several years, all of us will be responsible for solving problems and answering questions that we face. We must not look to this challenge as another burden, but rather, a chance to explore new possibilities and create effective solutions.

We must communicate in order to successfully surmount our challenges. Each new hurdle must be met with optimism and creativity. From words come ideas, and the only way in which to understand concepts is through attentive listening. If we cannot communicate well, we cannot surpass the obstacles in our paths. At the same time, we must not all be followers. Everyone must do his part to strive, to achieve, and not let others do the work for him. There will be setbacks, but the determination to continue is what is so important in mastering adversity.



Eric Blum
Student Body
President

Inspiring ideals and idealism in anyone is no easy task, but it is for us, the leaders of tomorrow, to do just that. To conquer any chore requires optimism; just enough to help us back on our feet should we fail in our initial attempts. Perseverance and tenacity are the keys to dynamically transcending any load. Together we must inspire ourselves, our nation and others, to face challenges that arise, and at the same time, we must spawn ideas in order to finally surpass the moguls in dramatic fashion.

We have our mission and destiny in our own hands. Good luck, Braves; Live Long and Prosper.

CLASS of 1985

Dear Senior Class of 1985.

First of all, and most importantly, I would like to thank you for allowing me to represent you in our senior year. It has been an experience that will last a lifetime.

Despite the semester's less than glorious start, Senior Council pulled together and planned many exciting events and activities. The Fashion Show was the first event, and was followed by the very successful Spirit Week. On the evening of May 1st., the class was together as a whole, enjoying the 1st. annual Senior Dinner. With a touch of humor, music, acting, and talent(?), the Senior Talent Show was an event to remember.

I would personally like to thank the administration, for without their help my job would not have been so enjoyable.

A special thanks to the following: Coach Sink, our sponsor and friend, who gave his all, 100% of the time, for the good of the class. Ms. Spector, who was with us "two days a week", helped encourage us, give us new ideas and put them to work. Finally, Randy Moss, who's footsteps anyone would like to follow in.

May you, the Graduating Class of 1985, live long, healthy, and prosperous lives.

Sincerely,
Kenny Bachrach
Spring Senior Class President

FACULTY TALENT SHOW

The second annual faculty talent show was again a huge success. The teachers, secretaries, counselors, and administrators performed to two sell-out crowds in 20 different acts. Many of these acts involved singing and dancing to current hits. Tina Turner and Richard Simmons portrayals topped the favorites list along with the spectacular singing of Mr. O'Rear and Mr. Morris. Over 75% of the faculty was involved in this great event — much of this enthusiasm was from the participation of the many new faculty members. The faculty had been rehearsing every day at lunch and after school for the 3 or 4 weeks preceding the shows. But as Miss Boykoff — the emcee and one of the overseers of the production — said, "The main purpose in having the show again was to have fun and to get to know one another."

This year's *Tomahawk* was conceived through the collective efforts of photographers, artists, and typists. Birmingham owes its highest gratitude not only to Mr. Berns, the advisor of incomparable virtues, but to every member of the *Tomahawk* staff. Each member fulfilled their duties with originality and punctuality. We hope you will enjoy the contents with the same zeal in which it was created.
